**DESIGN DETAILS - REQUIRED FIELDS**

**DESIGN/PROJECT NAME:**

How do you call this design? When typing the name of your design please do not include the function of your design within the name: for instance if your design is "X Lamp", write only "X" for this field, especially do not write "X Lamp". Simply enter the unique name you come up for the design such as "X". The name is not the description of your design or project, it is a simple name, without the function. Examples Names: X, Excalibur, Fray, Triton. The following are not names: X Lamp, Excalibur Chair, Fray Table, Triton Toy as they have additional information such as function which should not be indicated. You will be able to input function of your design later in a separate input field called "Function" but for the design name field input only the core name and do not type function. .

**PRIMARY FUNCTION:**

What is the core function of your design? What type of project or what kind of product is it; Is your design a Chair, Umbrella or Toy? Do not write a sentence "It is a chair", "A Chair" etc, but rather please simply write in one or two words the basic function of your design, simply: "Chair", or "Folding Chair" etc. Do not explain the project here but simply type its function. If your design has multiple functions, please type "Multifunctional X" where X is the main function; for multifunctional designs you should replace "X" with the core function of your design for example: "Multifunctional Chair" or "Multifunctional Umbrella" or you could simply state the multiple functions such as "Navigation Chair".

**Design Details - Required Fields**  
Please enter key details about your design. Please note that the information you enter here could appear in press releases and publications.

**Please Carefully Read the Gray Texts (Instructions) to ensure what you type is correct. Please do not use ALLCAPS at any point. Only use English language. Do not use special characters in your text.**

When filling the information, please **DO NOT** use ALL CAPITALS but use "Title Case".

Use standard latin alphabet and please do not add extra separation characters such as "/", ":", ";", "-" to name or function.

Use a word processor software to spellcheck your texts in English before typing them here.

It is best to also fill-in the optional information fields below to provide a better understanding of your design to the jury.

Please enter key details about your design. Please note that the information you entered here could appear in press releases and publications.

Please make sure you compile the fields according to the guidelines provided.

The fields should be compiled in English, using only latin alphabet.

You can use word processor software to spellcheck your texts in English before typing them here.

## DESIGN DETAILS - REQUIRED FIELDS

REQUIRED FIELDS are obligatory for you to save your design presentation. Please follow the guidelines to compile the fields correctly.
