

Interior Design Awards Call for Nominations

The World's most outstanding interior design work will be recognized at the Annual International A' Interior Design Awards.

Call for Entries : Interior Design Awards

A' Design Award & Competition announced the call for nominations for the Annual International Interior Design Awards. Interior designers and companies from all over the world are invited to take part in the prestigious Interior Design Awards by entering their best of interior products and projects. The coveted A' Design Prize, and the grand, glamorous black tie ceremony which celebrates the winners at the Villa Gallia in Como, are one of the most important events in the interior design industry. Winning the A' Interior Design Award is one of the highest achievements a designer could obtain. Architects, interior designers and developers of interior projects worldwide are called to submit their best spatial designs.

The A' Interior Design Awards serve to recognize, reward and celebrate design excellence across a broad range of categories related to interior design including product design, lighting design, furniture design, and architecture. Interior design entries can also include restoration or preservation projects as well as design of tradeshow booths and museum exhibitions. Interior design of transportation projects will be considered in a different category. Projects may be located anywhere in the world. The A' Interior Design Awards invites interior designers, architects and design teams worldwide to submit their best conceptual, in-progress or completed work.

Evaluation of Entries

Entries to the Interior Design Awards are voted by a jury panel that consists of industry experts, academics, design professionals, press members as well as architects. The judging process, which is based on international standards is anonymous, transparent and confidential. Entries are judged for both technical content and aesthetic creativity to ensure that only the entries that truly demonstrate fresh, artistic, and brilliant approach to interior design would be highlighted. Entries are expected to demonstrate advancement for social, technical, environmental and economic factors. Entries will be peer reviewed and voted on criteria such as design quality, innovation, spatial design, ergonomics, flow design, public benefits, user friendliness, efficiency, sustainability, best practices, sustainability and good use of space. The decision of the jury shall be final.

A' Design Prize

Laureates of the A' Interior Design Awards will be given two complimentary tickets to join the A' Design Award's glamorous black tie Gala-Night and Award Ceremony. The winners of the Interior Design Awards will be eligible to receive the coveted A' Design Prize which includes a series of PR and marketing services for winners including but not limited to: translation of project descriptions to twenty languages, press release preparation and distribution to tens of thousands of publications, the ability to use the award winner logo and certificate as a part of communications and marketing, inclusion in designer rankings as well as a special interview with the award winning designers. Award winners will also be given the special 3D printed metal award trophy, the certificate of interior design excellence and a hardcover yearbook of best projects. Winning designs will be exhibited in Italy and abroad in addition to inclusion in the online gallery of best interior projects. Laureates will also get their names listed at World Design Rankings. A' Interior Design Award winners receive significant media recognition via dozens of press partners including leading design portals, e-zines, magazines and websites.
